Accessibility Compliance Report

You can use one form to file an accessibility compliance report for up to 20 organizations. To do so, you need each organization's:

- legal name
- business number (BN9) or AODA identifier
- number of employees in Ontario
- address

Each organization must have the same:

- organization category
- number of employees range (e.g. 20-49, 50+)
- certifier
- answers to all of the accessibility compliance questions

If not, you will need to complete a separate form for each organization.

Note: While business and non-profit organizations with 1-19 employees are not required to submit an accessibility compliance report, they must still comply with the AODA.
